## PRIVACY POLICY

Investment advisers are required by law to inform their clients of their policies regarding privacy of client information. We are bound by professional standards of confidentiality that are even more stringent than those required by law. Federal law gives the customer the right to limit some but not all sharing of personal information. It also requires us to tell you how we collect, share, and protect your personal information.

### TYPES OF NONPUBLIC PERSONAL INFORMATION (NPI) WE COLLECT

We collect nonpublic personal information about you that is either provided to us by you or obtained by us with your authorization. This can include but is not limited to your Social Security Number, Date of Birth, Banking Information, Financial Account Numbers and/or Balances, Sources of Income, and Credit Card Numbers or Information. As a current client if you are no longer our customer, we will not share your information with anyone unless required by a court order.

### PARTIES TO WHOM WE DISCLOSE INFORMATION

All Investment Advisers may need to share personal information to run their everyday business. In the section below, we list the reasons that we may share your personal information:

- For everyday business purposes – such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus;
- For our marketing – to offer our products and services to you;
- We do not conduct joint marketing with other financial companies;
- We do not sell or give your personal information to any affiliates or non-affiliates.

Clients can contact us at any time to limit our sharing.

### PROTECTING THE CONFIDENTIALITY OF CURRENT AND FORMER CLIENT'S INFORMATION

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law, including computer safeguards and secured files and building.

### FEDERAL LAW GIVES YOU THE RIGHT TO LIMIT SHARING – OPTING OUT

Federal law allows you the right to limit the sharing of your NPI by “opting-out” of the following: sharing for non-affiliates’ everyday business purposes – information about your creditworthiness; sharing with affiliates who use your information to market to you; or sharing with non-affiliates to market to you. State laws and individual companies may give you additional rights to limit sharing. Please notify us immediately if you choose to opt out of these types of sharing.

**DEFINITIONS:** Affiliates – companies related by common ownership or control. They can be financial and non-financial companies; Non-affiliates – companies not related by common ownership or control. They can be financial and non-financial companies; Joint marketing – a formal agreement between non-affiliated financial companies that together market financial products or services to you.

*Please call if you have any questions. Your privacy, our professional ethics, and the ability to provide you with quality financial services are very important to us.*
